Inclement Weather Procedures

When **thunder** is heard or **lighting** is seen:

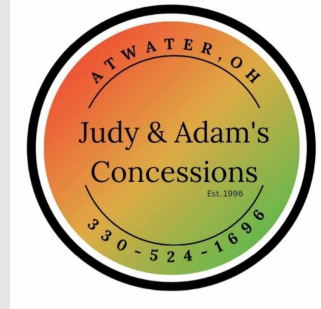

- Play is suspended 30 minutes after last thunder is heard or lightning flash is witnessed by referee or field monitor.
- Field monitor contacts Main Hub Contact by text or phone call to notify them of the start of a 30 minute delay.
- Field monitor taps the bull horn 3 times - break - 3 times to indicate weather delay to other fields, fans, coaches and athletes.
- Field monitor informs coaches what time their players can take the field again to resume play.
- Teams will only be allotted one hour to complete their game. Coaches, officials and field monitors must decide on the format together that best fits the situation when games resume.

When a **tornado watch** or **warning** has been issued by National Weather Service for Hudson:

- Main Hub holds the bull horn down for 10 seconds - break - 10 seconds to indicate that all coaches, athletes and spectators must find shelter.
- Field Monitors and LaxFest Committee members will cease operations (including games and vendor sales) to direct all individuals to shelter in place at the following locations:
 - Fields 1-7: East Woods Intermediate Gymnasium ?
 - Fields 8-12, Lavelli and Malson: Hudson Middle School Wrestling Room ?
 - Fields 13-15 and Memorial: ?
- Teams may take the field when the watch or warning has been lifted.
- Teams will only be allotted one hour to complete their game. Coaches, officials and field monitors must decide on the format together that best fits the situation when games resume.
